CAREBILITY

CERTIFICATE OF ACHIEVEMENT

This certifies that

April Thomas

has successfully completed the

Respiratory Evaluation and Therapy Modalities

*certification program on **October 19, 2026***
The participant demonstrated proficiency in the assessment and monitoring, infection control, and appropriate delivery of essential respiratory therapy services — including oxygen therapy, nebulizer treatments, incentive spirometry, CPAP/BiPAP therapy, and respiratory assessments. This training emphasizes safe administration practices, clinical judgment, and effective communication with residents. This course supports clinical competency and aligns with CMS RAI Manual and CFR 483.25(l) regulatory requirements.
